## ‘Primavera’ Chardonnay 2006

Chardonnay is a delight to grow at our vineyard. Year in and year out the vines are producing fruit of exemplary quality. Careful vineyard management together with our unique site characteristics of warm gravelly soils and cool maritime climate are producing Chardonnay of great flavour and intensity.

The 2006 Primavera Chardonnay is a crisp style showing a balance of primary fruit and savoury characters. There are some tropical fruit nuances with pink grapefruit and almonds complimenting the creamy luscious palate.
