'Primavera' Chardonnay 2007

Chardonnay is a delight to grow at our vineyard. Year in and year out the vines produce fruit of exemplary quality. Careful vineyard management together with our unique site characteristics of warm gravelly soils and cool maritime climate produce Chardonnays of great flavour and intensity.

The 2007 Primavera Chardonnay borders on a Chablis style of wine compared to previous vintages. Less malo has delivered a tangy acid layer resulting in a crisper tighter style. Pear and grapefruit delicately flavour this wine while a sherbety softness dances around the palate bringing an elegance and chic-ness to the finish.

With age this wine will soften and attract more complexity.
