## 2008 'Primavera' Chardonnay

Chardonnay is a delight to grow at our vineyard. Year in and year out the vines produce fruit of exemplary quality. Careful vineyard management together with our unique site characteristics of warm gravelly soils and cool maritime climate produce Chardonnays of great flavour and intensity.

Its champagne nose is full of complexity, creamy vanilla and toasted almond derived from the wine lying on lees (*sur lie*). The palate is dryer than in past vintages and it shows more mineral length with a weighty luscious middle palate owed to the higher alcohol and partial barrel fermentation. The seasoned French oak is restrained yet classy and adds tannin and overall softness to the structure without killing its tight tangy citrus acid finish. An excellent value for money chardonnay that is fashionable with aging potential of 4 years.
