'Primavera' Pinot Noir 2008

2008 'Primavera' Pinot Noir is our exciting market leading and modern style of Pinot Noir that we deliver at an exceptional price.

2008 was an outstanding summer that was both warm and dry ripening our fruit on time, with generous flavour. Our mature age vineyards are also a contributing factor to this wine's more voluptuous profile together with the fruit from our 777-vineyard (Burgundy clone), that produces intensely coloured small bunches that notch up the texture and length of palate. New oak in the form of large format (5,000 litres) was utilised for the first time to bring about dryer and rounder oak tannins with good length.

These quality increments have transformed our Primavera Pinot Noir into a mature richer 'Tasmanian' style and away from our previous 'Beaujolais' style without forfeiting any of this variety's elegance.
