2010 Stefano Lubiana Riesling

"Thrilling riesling from one of Tasmania's most reputable and reliable producers. The vineyard, which should soon be certified as biodynamic, overlooks the Derwent River and typifies just how good Tassie riesling can be. Finely perfumed with white blossoms and jasmine notes, there is a juicy grapefruit flavour following on. Bright, crunchy acidity provides a biting finish and will contribute to the very long future this wine will surely enjoy, for anyone who can keep their hands off it. Mouthwatering.

Tasting date 20th Oct 2011.
92 points."
