

## **2010 Stefano Lubiana Primavera Pinot Noir**

YET another in the production line of outstanding wines from the always reliable Lubiana stable. This is a wine released young and designed to be drunk young - but there is absolutely no stinting on quality with bright, fresh berry and cherry characters on the palate, impressive structure and great balance.

This is vibrant and aromatic with 10 months in French oak acting as a moderating influence. A lovely wine that really blossoms with food, and offers seriously good value.
