Merlot 2004

The 2004 (our third vintage) follows closely in the footsteps of the very successful 2003 Merlot. The suitability of Merlot to our mild, largely maritime climate - characterised by many clear summer and autumn days has helped to lay a solid foundation for small yields of high quality wine grapes.

The 2004 vintage has tight structure, firm tannins and a lingering finish. This wine will be rewarded with longer term cellaring (10+ years.)
